PROFESSIONAL PREPARATION

Undergraduate Institution: University of Tokyo
Graduate Institution: University of Tokyo

Major: Zoology, B.S. degree, 1987
Major: Zoology, M.S. degree, 1989
D.S. degree, 2003

APPOINTMENTS

2008-present: *Director and Professor of Marine Ecology*, Akkeshi Marine Station, Field Science Center for Northern Biosphere, Hokkaido University
2007-2008: *Associate Professor of Ecology*, Graduate School of Science, Chiba University
2001-2007: *Associate Professor of Ecology*, Graduate School of Science and Technology, Chiba University
1994-1995: *Visiting Scientist*, Institute of Marine Sciences, University of North Carolina at Chapel Hill
1993-2001: *Research Associate*, Ocean Research Institute, University of Tokyo

PROFESSIONAL ACTIVITIES

(i) Activities in international academic societies

- Science Planning Committee, Life in a Changing Ocean (2011-present)
- Steering Committee, World Seagrass Association (2012-present)

(ii) Activities in Japanese academic societies

- National Committee, Ecological Society of Japan (2010-2014)
- Steering Committee, Society of Population Ecology (2010-2015)
- Steering Committee, Society of Japanese Benthology (2009-2013, 2003-2007)

(iii) Editorial roles in scientific journals

- Deputy Editor-in-Chief, Ecological Research (2016-present)
- Associate Editor, *Estuaries and Coasts* (2015-present)
- Editorial Board, *Ecological Research* (2007-present)
- Editorial Board, *Population Ecology* (2005-present)

(iv) Activities in International Cooperative Research and Education

- Principal Investigator of TSUNAGARI project by Belmont Forum (2015-present)
- Japanese host of ZEN (Zostera Experimental Network, funded by NSF) (2010-present)
- Japanese host of GAME (Global Approach by Modular Experiment, IFM-Geomar, Germany) (2006-present)
- Active members of International Network & Training Office in Global COE Program in Graduate School of Environmental Science & Graduate School of Agriculture, Hokkaido University (2008-2013)
- Executive committee member of Japan Long-term Ecological Research Network (2006-present)

(v) Committee in governmental and provincial projects

- Board members for coastal ecosystem monitoring, Monitoring Sites 1000, Ministry of the Environment, Japan (2007-present)
- Committee for selecting important marine areas for marine biodiversity protection, Ministry of the

- Environment, Japan (2010-2011)
- Working group for the promotion of monitoring for global climate change, Ministry of Environment, Japan (2008-2010)

Selected publications

- Nakaoka, M. (1997) Demography of the marine bivalve *Yoldia notabilis* in fluctuating environments: an analysis using stochastic matrix model. Oikos 79: 59-68Nakaoka, M. (2005) Plant-animal interactions in seagrass beds: ongoing and future challenges for understanding population and community dynamics. *Population Ecology* 47: 167-177
- Nakaoka, M. (2000) Nonlethal effects of predators on prey populations: predator-mediated change in bivalve growth. *Ecology* 81: 1031-1045
- Nakaoka, M., Kouchi, N. and Aioi, K. (2003) Seasonal dynamics of *Zostera caulescens*: relative importance of flowering shoots to net production. *Aquatic Botany* 77: 277-293
- Aioi, K. and Nakaoka, M. (2003) Seagrasses of Japan. In, Green, E.P. and Short, F.T., editors, *World Atlas of Seagrasses*. University of California Press, Berkeley, USA, pp. 185-192
